MVNU is a Christian liberal arts college that is an intentionally residential campus. We believe that campus life contributes to the educational mission of the University. Only those that meet the following criteria* may petition to live off campus:

1. MVNU students who are of senior standing and at least 21 years of age
2. MVNU students who do not have senior standing but are at least 22 years of age or older
3. MVNU students who will be living in the home of a parent/guardian.

**Students who are married or have children are required to live off campus.*

Please read and be aware of the following:

- I. Students who live off campus and do not meet the criteria for living off campus, or have not been approved by the Offices of Student Development, will only be allowed to register for 6 credit hours or less per semester. Changing to part-time status can have a significant impact on the amount of financial aid offered a student (including loans).
- II. Students are required to inform Student Development if they are not planning to return to campus housing. Students will lose their housing deposit if Student Development is not informed of a student's decision not to live on campus by the predetermined deadline prior to the beginning of the next semester. This deadline is June 30 for the Fall Semester, and November 30 for January Term or Spring Semester. Students may petition for approval for off-campus housing for the Fall Semester up until August 1 and until January 1 for the Spring Semester or the student's housing deposit will be forfeited even if approval is granted.
- III. Off-campus residents do not receive certain benefits/services offered to on-campus residents (e.g., Residence Life programming, Safety and Security, laundry facilities, appliances, and ability to reserve residential facilities).
- IV. Off-campus students will abide by all lifestyle expectations (rules and regulations) of Mount Vernon Nazarene University as stated in the Student Life Handbook. Understand that the Dean of Student Development has the right to contact the person from whom the student is renting off-campus housing and to explain the rules and regulations of MVNU. If the student violates any policies of the University, the University has the right to require the student to return to campus housing, limit his/her enrollment, and/or dismiss the student from MVNU.
- V. Full-time students under 21 who are granted off-campus status to live at home with their parent(s) or guardian(s), will not be permitted to petition out of chapel, regardless of their class and/or work schedule;
- VI. Full-time students under the age of 22 are required to submit a new petition to the Student Development office prior to the beginning of each subsequent academic year in order to confirm off-campus housing arrangements.
- VII. All students 22 years of age and older are required to inform the Student Development office immediately following any change of address or telephone number.

By signing below, the undersigned certifies that he/she has read, fully understands and agrees with this document and the policies of Mount Vernon Nazarene University. The undersigned also certifies that he/she will notify the Student Development Office immediately when any information related to this petition is no longer accurate.
